Your Destination, includes sightseeing

Sprawling for 7 miles along the southern Dorset coastline, Bournemouth is one of the largest seaside resorts in Britain, famous for its grand seafront and broad sandy beaches.

It's part Victorian resort, part modern commercial centre and part mass-market tourist holiday park, where day-trippers and holiday makers rub shoulders with stag and hen parties. Harmony seems to preside amongst Bournemouth's temporary residents though and it's an atmospheric introduction to the world of the British beach holiday, with plenty to keep you occupied, including sunbathing, shopping and water sports by day, and a wealth of bars, clubs and shows to explore by night.

Climate and weather Bournemouth enjoys a mild British climate and May sees a good deal of early summer sunshine.
